
300 solar container lithium battery pack

What is Sunway ESS battery energy storage system (BESS)?

Sunway Ess battery energy storage system (BESS) containers are based on a modular design. They can be configured to match the required power and capacity requirements of client's application. Our containerised energy storage system(BESS) is the perfect solution for large-scale energy storage projects.

What is a containerised energy storage system (BESS)?

Our containerised energy storage system (BESS) is the perfect solution for large-scale energy storage projects. The energy storage containers can be used in the integration of various storage technologies and for different purposes. For installation manual,technical datasheet,inverter adjustment/testing or configuration,please send us inquiry.

What is included in a battery room?

The battery room includes battery racks,fire cabinets,BMS control cabinets,Air conditioning and lighting,smoke detectors,etc
