
Battery cabinet 32

What is a C32 Steel Battery Cabinet?

The Certo C32 Steel Battery Cabinet from Cooper Power is a compact, high-quality enclosure designed to house 32 x 100Ah battery. Ideal for small-scale UPS or inverter installations, the C32 offers a clean, professional look while providing maximum protection and easy access.

What is a battery cabinet?

Battery cabinets are a convenient storage solution that encourages staff to maintain the correct handling and storage procedures. By charging and storing batteries in the one location, you are reducing the likelihood of batteries being lost, stolen, damaged or left in unsafe conditions (such as outdoors).

What is a C32 battery?

Ideal for small-scale UPS or inverter installations, the C32 offers a clean, professional look while providing maximum protection and easy access. Manufactured from durable, powder-coated steel, the C32 is built to ensure battery safety, ventilation, and security.
