
Buy portable power bank in Gaborone

What is a portable power bank?

Small enough to fit in your backpack or laptop bag, this portable power bank is perfect for on-the-go charging when you don't have the convenience of an AC outlet nearby. With dual USB ports, you can charge two devices simultaneously including smartphones, tablets and other USB powered devices.

Why should you buy a power bank?

The compact size of the power bank allows you to put it into the bag easily. Not to mention that the power bank is implemented with short circuit, overcharge, discharge, and overcurrent protection to prevent damage to both the power bank itself and connected devices.

What is a 4xem 30,000 mAh power bank?

The 4XEM 30,000 mAh Power Bank with 100W Power Delivery is the ultimate portable charging solution for powering multiple devices on the go. With a robust 30,000 mAh rechargeable lithium-ion battery, it offers enough capacity to charge your devices multiple times.

How do I charge a PD power bank?

Charge the power bank via the first USB Type-C port with a PD power supply and the highest power input support up to 45W. After the power bank is fully charged, the first USB Type-C port also allows for PD charging laptops up to 65W or connecting an alternative plug up to four devices to charge them all simultaneously.
