What is an Eaton breaker?

The Eaton breaker is your straightforward solution to keeping your home circuitry up and running. Simply bolt it onto your CEB, Sylvania or Commander panel for a no-fuss replacement of worn-out breakers. It features a slim 3/4" profile per pole that won't block neighbouring slots, and is compatible with both 120 and 240 volt AC current.

Does EVOLT electrical supply carry CSA-certified circuit breakers?

Protect your electrical systems with high-performance electrical circuit breakers from Evolt Electrical Supply. We carry CSA-certified breakers for residential, commercial, and industrial applications--including authorized ABB breakers and replacement options for Siemens, Eaton, Homeline, and Square D panels.
