
Cross-border portable power bank

Where can I buy a branded Power Bank?

It's much easier than most travelers expect--and often cheaper, too. You'll find travel-ready branded power bank models at major airports like Beijing Capital, Shanghai Pudong, or Guangzhou Baiyun. Most shops stock trusted names like Anker, Xiaomi, and MOMAX, all with clear 3C labels.

What is a Momax ip117a power bank?

The MOMAX IP117A is your go-to branded power bank. At just 0.5 inches thick, it fits into your pocket like a phone. But don't let the size fool you--it holds 10,000mAh, which gives your iPhone a full boost and more. It's got both 15W wireless and 20W PD wired charging, which means it works whether you have a cable or not.

Where can I buy a 3C certified power bank in China?

Almost every electronics shop or convenience store in China sells 3C Certified power bank models. Just ask the clerk to show the "3C??" mark. Buying locally means no security check stress, no weight issues in your carry-on, and total peace of mind. It's a smart move for travelers who want to stay powered up without the hassle.

Can a power bank fly in China?

A: In China, power banks must be under 100Wh and 3C Certified. This rule applies to all domestic and international flights. If your power bank goes over the limit or lacks the 3C mark, it can't fly. Security officers at the airport will check this during screening. You'll need to carry it in your hand luggage, not checked baggage.
