
New solar inverters in Luxembourg

Why should you choose a solar & thermal renovation company in Luxembourg?

Our integrated solutions help homeowners and businesses in Luxembourg reduce energy bills, increase property value, and achieve long-term sustainability. We guide you through every step - from design to installation - and assist with subsidies and tax incentives, making your switch to solar and thermal renovation smooth and affordable.

Who installs a 12Kw Solar System?

12KW Solar Installation installed by Voltmax and Artur Rzepinski. We can recommend.

Responsive, Quick, Professional, adapted to our needs and provided answers to technical Questions quickly. Solution driven company, can recommend.

Is Voltmax a good solar company?

I can highly recommend Voltmax, if you are looking for a solar solution, the company is very responsive, professional and friendly. I can only say positive things about the company, from the team that came to install our panels to the contact person Jakub. Many thanks.

Competent, friendly and knowledgeable salespeople.
