
Southern European supercapacitor module manufacturer

What is a skelmod supercapacitor module?

The SkelMod supercapacitor module (Bank of Capacitors) delivers substantial power in a compact package, thanks to our SkelCap supercapacitors with exceptionally low internal resistance. For instance, the SkelMod 17V 500F module offers high power density with minimal cooling requirements due to its low internal resistance.

Where are Supercapacitors made?

Our production facilities in Germany are strategically located to serve our global customer base. The ISO 9001 and 14001 certified Dresden Superfactory, the largest supercapacitor factory in Europe, exemplifies our commitment to quality and sustainability.

Who are the top ranked supercapacitor manufacturers?

Also, please take a look at the list of 19 supercapacitor manufacturers and their company rankings. Here are the top-ranked supercapacitor companies as of October, 2025: 1. SPEL TECHNOLOGIES PRIVATE LIMITED, 2. Taiwan Zhifengwei Technology Co., Ltd., 3. CDE. What is a Supercapacitor? What is a Supercapacitor?

What are Maxwell supercapacitors used for?

Maxwell's supercapacitors are prominently used in regenerative braking systems in EVs, wind turbines for energy stabilization, and industrial power backup systems. Their products are also crucial in grid energy storage, helping stabilize power supply during peak demand. 2. Skeleton Technologies

SECH designs, develops and supplies customized energy storage and power delivery solutions based on ultracapacitors, also known as supercapacitors for applications in automotive, mass ...

VINATech's supercapacitor modules provide powerful, reliable energy solutions. Our modules combine advanced supercapacitor cells to offer exceptional durability and a long lifespan, ...

Explore the top 7 supercapacitor manufacturers that are leading the way in energy storage innovation. Discover industry leaders, cutting-edge technologies, and their global impact.

19 Supercapacitor Manufacturers in 2025 This section provides an overview for supercapacitors as well as their applications and principles. Also, please take a look at the list of 19 ...

Zoxcell Limited, a Dubai-based company with a manufacturing unit in South Asia, is an advanced supercapacitors manufacturer and graphene supercapacitor battery innovator with over 10 ...

This article profiles the top 10 global supercapacitor manufacturers providing state of the art ultracapacitor cells and modules catering to varying energy, power density and form ...
