# Tanzania solar container system Equipment Agent

Who is a solar company in Tanzania?

We design, procure, install, maintain & operate tailor-made solar solutions for both residential & commercial clients across Tanzania. We are also a Renewable Energy Components Distribution Company, providing genuine products from reputable manufacturers across the globe.

What are some of our Zanzibar projects?

Some of our Zanzibar projects include: Fun Beach- a beach resort now running more efficiently with stable, clean energy. Significantly reducing operational cost Sharazad Boutique Hotel - ensuring seamless guest comfort while reducing dependency on generators. Providing green energy for the entire hotel

What challenges do businesses face in Tanzania?

On mainland Tanzania, businesses face two major challenges: unreliable grid power and rising diesel cost. For lodges, hospitals, factories and other commercial entities, every outage means lost revenue, disrupted operations, equipment failures resulting in unhappy guests, or even life-threatening risks.

Solar Power Systems Our solar power systems are engineered to provide consistent, efficient energy, reducing dependence on unreliable public grids and expensive fuel-based generators.
